

Brodhead, Feb. 24, 49.

Dear Ole, Eve + Family,

I am sending a waiver of appearance and the letter which explains it. If you will sign it and then mail it directly to either Lil or Lynda so they can sign it if they care to, and they can return it to me as soon as possible. Hope everything goes good with you guys and that you are all well. Dad said he took you by surprise when he came to visit you. He liked your place. The Brodhead boys hit a high peak of performance in the final game of the tournament. They have to play Sharon here this week to see if they go farther. Jan says thanks to David for the valentine. Best regards.

Jan
